The DVC Foundation Scholarships

Diablo Valley College

Dear DVC Scholarship Committee Members,

I am writing to express my sincere gratitude to you for making The DVC Foundation Scholarships possible. I was thrilled to learn of my selection for this honor and I am deeply appreciative of your support.

I am currently studying a degree in Business. This is my third semester and I am currently taking four classes. I expect to complete my Associates Degree next semester and I will then apply for an Internship in the US to increase my work experience. I also have a goal of achieving an MBA. The financial assistance you provided will be of great help to me in paying my educational expenses, and it will allow me to concentrate more of my time for studying.

Thank you again for your generosity and support. I promise you I will work very hard and eventually give something back to others, both as worker and possibly a scholarship to future students like myself.

Sincerely,

Paula Espadas Alvarez
